 - 6. Fielded questions about ADAPT locations as well as properties of note to NA reps. & D6 Business Owners
- VI. Reports (5 minutes each)
 - A. (18:48) President: Pete Belletto

Mayor Keller Meeting:

Discussion Oriented Meetings

Brought up lack of engagement due to longevity of meetings.

GATEWAY project, re-up Good Neighbor Agreement. GATEWAY Newsletter seemed misleading with quoted numbers for overnight/medical/respite. TinyHomes + Gateway team-up?

Speed Camera Program: 13,000 tickets in front of Biopark, ought to work for Lead/Coal too

Attended Siesta Hills NA Meeting

Full Time State Legislation as well as City Council

Katheryn/San Mateo – Still and overgrown lot. Fire Station being moved to Central, ACS Building needs funding (in flux), ACS Employees potentially unionizing.

Redistricting: Votes collected, D6 mostly intact. Needs long term help, has been neglected for decades and the fix will take time. Provide amenities to neighborhoods East of San Mateo, Supermarket, clean up Zuni and Schools/Parks, Commit to a working partnership with NA, (crosswalks on Zuni, not fences to block jaywalking), Supply funding to local businesses for security (addressing the ‘symptom’ but it’s a start)

NM Black Leadership Council 5k Race, Sunday @ 8am

(19:14) Treasurer: Patricia Wilson

Additional Membership Forms

Additional Donations since printing of Treasurers rpt.

PO Box payment due at end of month.

VII. Committee Reports: (2 min. each) -

(19:19) Transportation; Pete Belletto, chair –

Working w/ Dr. Joe about Lead/Coal

New Member to Committee: Aly May of Victory Hills

Homeless Outreach; Khadijah Bottom, chair - Absent

(19:23) Communications; Ryan Kious, chair

Renew Interest in D6 from included NAs and Business, contacted ONC for previous membership.

Spoke to rep from La Mesa about requesting membership

(Dr. Belleto asked Mayor for \$10k to help with D6 engagement)

Interested in Maps of the District/NAs for inclusionary efforts (newly established UpLift has a GIS guru who would be a good asset)

(19:31) Zoning/IDO notification; Patty Willson, chair

Composing a public letter about the NARO.

Large value of Variance Requests for fences; They put the fence up then get dinged for violation. Education and Enforcement between contractor companies and City is needed.

(19:40) Community Safety; Sandra, chair – No new announcements

VIII. (19:40) Discussion Topics

Aly May – Discussion of Housing First; Studies point to higher efficacy of Housing First for treating homelessness. Sobriety as a requirement for Housing First is an overreach and a hindrance to the effort as a whole

Sandra Perea – GATEWAY; Aaron Nieto is not from Family Planning yet has been put in charge of GATEWAY's Good Neighbor Agreement.

Positive note: Full day of events at Bataans Veteran's Park, Nov. 11

Patty Wilson – IDO; Safe Outdoor Space update to IDO confused folks. IDO Updates are important for clarification of wording/meaning/ and correct errors. Community Policy needs to be easily understood by those its affecting. Technical difficulties or graveyard-shift passage of policy, while maybe accidental, are exclusionary.

Eugene Trosterud - Nob Hill Assoc. Signs are in process of being replaced. MetroReassessmentArea; Redevelopment fund meeting 9/23

Notice that we will return to Zoom Meetings if Flu/Covid spike this fall.

X. (19:51) Old Business / Follow Up

XI. (19:58) Adjournment Next full meeting: ***DATE: November 20th, 2022 - 6:00 PM to 8:00 PM; online via Zoom***
